SCHOOLING - Trinity International School CBSE	91.6%	2021-2022

INTERNSHIP EXPERIENCES

MERN STACK - BETTER TOMORROW DEC 2025

Developed an E-Commerce (Today'sHop) website using MERN Stack(MongoDB , Express.js , React.js , Node.js) handled both frontend and backend development , with testing API's , creating a user-friendly interface.

SKILLS ACQUIRED:

Frontend : HTML, CSS, JavaScript, ReactJS, TailwindCSS

Backend : Node.js, Express.js, REST APIs, MongoDB

Cloud : AWS (EC2,S3,IAM)

PROJECTS

RoadWatch AI - an AI Powered Road Transparency System 2026

Developed an AI-powered road transparency platform using React, Python, and PostgreSQL to provide road-related information through an intelligent chatbot. Enabled users to access road maintenance, expenditure, accident statistics, contractor details, and complaint data through a centralized system. Implemented interactive dashboards, analytics, and location-based insights to improve transparency and accountability in road infrastructure management.

Event Management System 2026

A full-stack MERN (MongoDB, Express.js, React, Node.js) web application designed to streamline event discovery, booking, and management. The platform enables users to browse events, make bookings, leave reviews, and receive notifications—providing a seamless experience for event organizers and attendees.

AlumniTrack - An AI Powered Placement Platform 2026

A full-stack platform designed to bridge the gap between Students, Alumni, and Placement Officers using Nextjs,TypeScript,Prisma that helps students improve their career readiness by leveraging alumni experience and placement insights.

Astronomy Image Classification System 2025

Developed a ML Based project which classifies astronomical images/celestial bodies using the image dataset , applied CNN model for pattern recognition in images. This project integrates dataset exploration, image preprocessing and model training and gives solution whether the uploaded images belongs to star/galaxy or etc.. categories.

ACHIEVEMENTS

Secured Third Prize at Mini Project Expo - Design Thinking project - Intra College	2026
Research Paper got Selected in ICCISS'26 International Conference for presentation - Sona College of Technology	2026
Secured Second place in Case Study Presentation at Mirai event - Intra College	2025
